2:00 p.m. Eastern Time**

**DISCLAIMER:** This presentation question-and-answer summary document was current at the time of publication and/or upload onto the Quality Reporting Center and QualityNet websites. Medicare policy changes frequently. Any links to Medicare online source documents are for reference use only. In the case that Medicare policy, requirements, or guidance related to these questions and answers change following the date of posting, these questions and answers will not necessarily reflect those changes; given that they will remain as an archived copy, they will not be updated. The written responses to the questions asked during the presentation were prepared as a service to the public and are not intended to grant rights or impose obligations.

Any references or links to statutes, regulations, and/or other policy materials included are provided as summary information. No material contained therein is intended to take the place of either written laws or regulations. In the event of any conflict between the information provided by the question-and-answer session and any information included in any Medicare rules and/or regulations, the rules and regulations shall govern. The specific statutes, regulations, and other interpretive materials should be reviewed independently for a full and accurate statement of their contents.

**Subject-matter experts researched and answered the following questions after the live webinar. The questions may have been edited for grammar.**

Outreach and Education Support Contractor**

**Question 1:** Can you clarify the reporting dates for the Social Drivers of Health measures? Does CY 2024 refer to data from January 1, 2024, to December 31, 2024?

Yes, the reporting period for the Social Drivers of Health measures (Screening for Social Drivers of Health and Screen Positive Rate for Social Drivers of Health) is calendar year 2024 (January 1, 2024–December 31, 2024).

**Question 2:** For health equity, is this the inpatient or outpatient population?

Populations for the health equity measures only include inpatient admissions to a PCH.
