Subject: Reminder: CCSQ Support Central Self-Service Account Recovery Options

The Self-Service Account Recovery banner on CCSQ Support Central includes a HARP Account Recovery link. The HARP Account Recovery link enables users to handle HARP account-related issues like password resets, account unlocks, and other account updates.

Users can access HARP Self-Service from multiple locations on the CCSQ Support Central site. Users can click the **Request Support** item in the menu at the top, the **Get Password Assistance** button in the Self-Service Account Recovery banner, or the **Account Recovery** button under HARP Password Help as shown in in Figure 1.

These links will direct users to the Account Recovery page that offers users the following options to manage their HARP account:

- **Forgot user ID or password:** Enter your email address to receive an email containing your user ID and instructions to reset your password.
- **Add Two-Factor Device:** Login to add a new two-factor authentication device to your account.
- **Full Account Recovery:** Enter your email address, first name, last name, and date of birth to receive an email containing instructions to recover your account.
- **PIV Card:** Learn more about how you can use your PIV card to log into HARP.
- **Need more help?** Please contact the Service Center for additional assistance.
