Subject: Reminder: IPFQR Program Data Submissions Due by August 15, 2024

The Inpatient Psychiatric Facility Quality Reporting (IPFQR) Program fiscal year (FY) 2025 data submission period will end on **Thursday, August 15, 2024**, at 11:59:59 p.m. Pacific Time (PT).

All eligible IPFQR Program providers must complete **all** requirements by August 15, 2024, to qualify for the full Inpatient Psychiatric Facility Prospective Payment System annual payment update. The requirements are listed below. Each provider must:

- **Have an IPFQR Program Notice of Participation (NOP) status of “Participating” on file.**
 - An IPF can verify the NOP status in the Hospital Quality Reporting (HQR) System.
 - An existing NOP status will carry over from year to year.
 - IPFs that decide not to participate in the IPFQR Program should contact the IPFQR Program Support Contractor via email at IPFQualityReporting@hsag.com for guidance regarding next steps.
- **Submit patient-level data to the HQR Secure Portal.** IPFs must submit patient-level data for all measures listed below.
 - Hospital-Based Inpatient Psychiatric Services (HBIPS)-2 and HBIPS-3 numerator values
 - Substance Use (SUB-2/-2a, -3/-3a)
 - Tobacco Use (TOB -3/-3a)
 - Influenza Immunization (IMM-2)
 - Transition Record with Specified Elements Received by Discharged Patients
 - Screening for Metabolic Disorders
- **Submit facility-level non-measure data and facility-level HBIPS-2 and HBIPS-3 denominator values to the HQR Secure Portal.** (HBIPS-2 and HBIPS-3 share the same denominator.)
- **Submit COVID-19 Vaccination Coverage Among Healthcare Personnel (COVID HCP) measure data to the National Healthcare Safety Network (NHSN).**
- **Complete the Data Accuracy and Completeness Acknowledgement (DACA) in the HQR Secure Portal.**

The DACA is the official statement by which IPFs attest to the accuracy and completeness of the data they submit to the Centers for Medicare & Medicaid Services (CMS).

The opportunity to correct or otherwise modify your data ends on the data submission deadline of **Thursday, August 15, 2024**, at 11:59:59 p.m. PT. CMS encourages all eligible IPFs to

complete data submission at least two days prior to the deadline to allow time to address any submission issues.
