CMS.gov | Hospital Quality Reporting

Announcement from the Centers for Medicare & Medicaid Services (CMS):

Starting August 19th, you will see changes to the IQR Provider Participation report page.

Testing with Hospital Quality Reporting (HQR) users shows these changes should help you track your submission progress in HQR.

These changes will allow you to:

- View all your IQR measure submission requirements and progress in a single

This new consolidated interface will replace the Reporting Requirements reports.

To help you navigate this move, we will soon add a tutorial video to the HQR System.

As the HQR System continues to improve, any changes will be communicated.
