Subject: **Public Comment Open for Draft USCDI+ Quality V1: Help Align Quality Reporting Across Federal and Nonfederal Programs**

The Office of the National Coordinator for Health Information Technology (ONC) recently announced the release of the Draft USCDI+ Quality V1 data element list for public comment on the [USCDI+ Platform](#). The latest version of USCDI+ Quality continues to build upon electronic data reporting needs for quality measures. ONC is seeking comment on the larger dataset, “Quality Overarching” as well as a subset dataset, we’re calling “Draft USCDI+ Quality v1”. Comments are due by 11:59 pm ET on **October 15, 2024**. For a more detailed overview of the USCDI+ Quality data element list and feedback we are seeking, please refer to the [Knowledge Article](#).
