Subject: NOTICE: IQR-Eligible Hospitals to Submit 2Q 2024 HCAHPS Survey Data by **October 2, 2024**

The submission deadline for the Hospital Consumer Assessment of Healthcare Providers and Systems (HCAHPS) patient perspectives on care survey data for second quarter (2Q) 2024 discharges (April 1-June 30, 2024) is **October 2, 2024**.

The Centers for Medicare & Medicaid Services (CMS) strongly encourages all hospitals, whether they self-administer the HCAHPS Survey* or use a survey vendor, to submit data well before the deadline to allow time to address any submission issues.

- Inpatient Prospective Payment System (IPPS) hospitals participating in the Inpatient Quality Reporting (IQR) Program must collect and submit HCAHPS data to qualify to receive their full Annual Payment Update. Please see the [Q2 2024 Hospital IQR Checklist](#) for further information.
- Non-IPPS hospitals must meet the same submission deadline for their data to be published on public reporting website.

Review and Correction Period

The Review and Correction Period is October 3-9, 2024. Immediately following the October 2, 2024 data-submission deadline, participating hospitals and survey vendors have a seven-day opportunity, October 3-9, 2024, to access and review the HCAHPS Data Review and Correction Report. The report contains a summary of the data accepted into the HQR System for the quarter. Errors in data accepted into the HQR System by the October 2, 2024 deadline can be corrected. During this seven-day period, corrected data can be submitted to the HQR System to replace incorrect data. New data are not accepted into the HQR System during the Review and Correction Period.

EXTRAORDINARY CIRCUMSTANCES EXCEPTIONS (ECE)

In the event that your hospital is unable to submit data or meet requirements due to an extraordinary circumstance, you may request an individual exception.

- For the submission of the HCAHPS data, for the Hospital IQR Program, the ECE must be submitted within 90 calendar days from when you determined that the extraordinary event occurred. The event may occur during the measurement period through the submission or reporting deadline.
- For events adversely impacting your HCAHPS performance, for the Hospital Value-Based Purchasing (HVBP) Program, the ECE must be submitted within 90 days of the date of the extraordinary circumstance. At the latest, ECEs should be submitted no later than 90 days from the last date of the quarter requested. For example, the last day of Q2 2024 is June 30, 2024. The ECE should be submitted no later than 90 days after the end of Q2, which will be **September 29, 2024**.
