CMS.gov | Hospital Quality Reporting

An announcement from the Centers for Medicare & Medicaid Services (CMS):

The Hospital Quality Reporting (HQR) System will begin accepting CY 2023 **voluntary** submissions for the *Screening for Social Drivers of Health (SDOH-1)* and *Screen Positive Rate for Social Drivers of Health (SDOH-2)* measures for Inpatient Quality Reporting (IQR) on April 1, 2024.

The deadline for SDOH-1 and SDOH-2 voluntary submissions is May 15, 2024, at 11:59 PT.

You will be able to complete data submissions for the SDOH-1 and SDOH-2 measures, however CY 2023 measure data will not be available on the Facility, State and National (FSN) Report or Provider Participation Report (PPR) on April 1, 2024.

You can complete your submission by logging into the HQR System, navigating to **Data Submissions**, and using the Data Form on the *Structural Measures* tab.

An additional communication will be sent out once the reports are available to include CY 2023 measure data for SDOH-1 and SDOH-2.

As we continue to enhance the HQR system, we'll keep you informed about any changes.
