CMS.gov | Hospital Quality Reporting

Announcement from the Centers for Medicare & Medicaid Services (CMS):

The Hospital Quality Reporting (HQR) System has been updated for Total Hip Arthroplasty/Total Knee Arthroplasty (THA/TKA) Patient-reported Outcome-based Performance measure (PRO-PM) submissions.

The questions on the Data Form have been reordered to match File Upload and enhancements have been made to File Upload error messages to further explain any submissions errors found.

THA/TKA PRO-PM reporting year 2026 Pre-Op and reporting year 2025 Post-Op submissions began on July 1, 2024 and end on September 30, 2024.

The Single Survey PDF export is coming soon!

As the HQR System continues to improve, any changes will be communicated.
