Announcement from the Centers for Medicare & Medicaid Services (CMS):

To help you track your submission progress in Hospital Quality Reporting (HQR), we are releasing a new Inpatient Quality Reporting (IQR) Provider Participation Report page on August 19, 2024.

The new page will be called Submission Requirements, replacing the IQR Reporting Requirements reports.

These changes will allow you to:

- View all your IQR measure submission requirements and progress in a single report interface
- Export the report as a PDF or CSV

As the HQR System continues to improve, any changes will be communicated.
