Medicare Promoting Interoperability PROGRAM

RSVP to Join CMS for an Office Hour Session on October 4th

Do you have questions about the Antibiotic Use and Antibiotic Resistance Surveillance measure(s) of the Public Health and Clinical Data Exchange Objective for the Medicare Promoting Interoperability Program?

In conjunction with the Centers for Disease Control and Prevention and the Assistant Secretary for Technology Policy and Office of the National Coordinator for Health Information Technology, the Centers for Medicare & Medicaid Services (CMS) is hosting an office hour session on **October 4, 2024, at 2:00 PM ET**. We will discuss the requirements for CY 2024 and CY 2025.

If you have a question related to the Antibiotic Use and Antibiotic Resistance Surveillance measure(s) and would like to attend this office hour session, please email Elizabeth.Holland@cms.hhs.gov with your question and we will send the dial-in information.

Please note that space is limited. We will prioritize registering those who submit questions. Also, we will be recording the session and will provide the audio recording to those that request it.
