**Subject:** Correction on viewing your IPF-specific reports for FY 2026 IPFQR Program claims-based measures

This email is to notify you of a correction to the previous email sent on Monday, November 24 with the subject line “Available for viewing and download now: IPF-specific reports for FY 2026 IPFQR Program claims-based measures.” The email you received on November 24, which is attached here, mistakenly directed users to select 2026 as the release year. To view the FY 2026 IPFQR ISRs in the HQR system you will need to select IPFQR as the program and **2025** as the release year.
