Join The Joint Commission, Centers for Medicare & Medicaid Services, and Mathematica for these five Expert to Expert Webinars for CMS Eligible Hospitals for 2025 implementation. Each New Measure webinar will review measure intent and specifications, including the initial patient population, denominator, exclusions, numerator, data elements, and logic. For existing eCQMs, each broadcast webinar addresses annual updates for the featured eCQM(s) by providing an overview of the featured eCQM and highlighting changes for 2025 implementation. Common questions from JIRA and other sources will be addressed during each webinar. CE credit is offered for each of these webinars. For additional information on these Expert to Expert webinars, visit the [Expert to Expert website](#).
