Subject: Now Available: CMS Specifications Manual for the EHR Reporting Period in CY 2025

Now Available: CMS Specifications Manual for the EHR Period in CY 2025

The Centers for Medicare & Medicaid Services (CMS) has posted the *CMS Specifications Manual for Eligible Hospitals and Critical Access Hospitals Participating in the Medicare Promoting Interoperability Program for the Electronic Health Record Reporting Period in Calendar Year 2025* available at the following link: <https://www.cms.gov/medicare/regulations-guidance/promoting-interoperability-programs/resource-library>.

CMS developed this Specifications Manual to provide information regarding measure specifications and data collection guidelines for eligible hospitals and critical access hospitals participating in the Medicare Promoting Interoperability Program.
