Subject: CDC's 2026 National Healthcare Safety Network (NHSN) Annual Training – CAUTI- and CLABSI-Onc Measures

We'd like to invite you to attend a presentation on the new Catheter-Associated Urinary Tract Infection (CAUTI) – Oncology (Onc) and Central Line-Associated Bloodstream Infection (CLABSI) –Onc Measures on April 9, 2026, as part of CDC's 2026 National Healthcare Safety Network (NHSN) Annual Training.

The **CAUTI- and CLABSI-Onc Measures** will be discussed from 12:45 p.m. - 1:15 p.m. on Thursday, April 9. You can join via the meeting link provided in the [NHSN 2026 Annual Training Attendee's Guide](#).

NHSN PSC Annual Training runs from Tuesday, March 13 – Thursday, April 9, 2026. Live training sessions will be held weekly on **Tuesdays and Thursdays**, beginning at **12:00 pm Eastern Time and ending at 4:00 pm ET**. The full agenda and access to the Microsoft Teams training sessions links can also be found in the guide linked above. All training sessions will be recorded and made available online at a later date.

Please do not respond directly to this email.

If you have any questions about the training on March 31, please send an email to NHSNTrain@cdc.gov or submit a ticket to the NHSN Helpdesk via [NHSN-ServiceNow](#). Select NHSN-ServiceNow>Patient Safety>Training with the subject line “Annual Training.”

For further assistance regarding the implementation of the CAUTI- and CLABSI-Onc Measures, please contact Inpatient and Outpatient Healthcare Quality Systems Development and Program Support at https://cmsqualitysupport.servicenowservices.com/qnet_qa or call toll-free (844) 472-4477.
