# QualityNet: Hospital Inpatient Location

From the *QualityNet* home page, select the **[Hospitals – Inpatient]** drop-down.

In the drop-down menu select the "Hospital Inpatient Quality Reporting Program" link. This will direct you to the overview page for Inpatient Hospital information.

# Reconsideration Process Location

Access the Hospital IQR Program APU Reconsideration Information on *QualityNet* by selecting the "APU Reconsideration" link from the left-side navigation pane. This will direct you to the *Reconsideration*Overview page.

### Reason for Reconsideration Request

- You must identify the CMS-Identified reason facility did not meet the APU requirement.
- Specific reason(s) for believing your facility did meet the Quality Reporting Program requirement(s) and should receive the full APU.
- Fill out the form completely and accurately.
- If you would like to include additional information or documentation, please attach a PDF file with your Reconsideration Request Form.

### Filing a PRRB Appeal

If a hospital is dissatisfied with the result of CMS's reconsideration, the hospital may file a Provider Reimbursement Review Board (PRRB) appeal.

- A PRRB appeal can only be submitted after the hospital has submitted a request for reconsideration and received a decision on the request.
- Hospitals can submit PRRB appeals up to 180 days following the IQR reconsideration notification date.
- Details about the PRRB process can be found on the CMS website:
